

The Parrot Heads of the Savannah River Points System for Concert Tickets

Tickets to Jimmy Buffett concerts are a privilege granted to Parrot Head Clubs by Jimmy's management group through Parrot Heads in Paradise (PHIP). They are offered to clubs in good standing to reward the hard work many clubs do; however, **there are no guarantees that tickets will be offered to clubs**. It is the policy of this club that members who participate in the club's charity and environmental/community service projects be granted the privilege of receiving the option to purchase a ticket to a Jimmy Buffett concert in our area. These tickets are not discounted and eligible club members pay the full face value of the ticket. The Club shares the allotted tickets per concert with 6-8 other clubs, and the number of clubs splitting the allotted tickets per show may well increase each year. Obviously, we must have a system in place that clearly shows what club members can do to be eligible for tickets. The following criteria defines eligibility for tickets to Jimmy Buffett concerts for club members. **Again, please remember that clubs are not guaranteed tickets.**

Eligibility Requirements:

Must be a member in good standing.

Must participate in at least 3 charity/environmental/community service events per year. Therefore, if you only participate in social events and general membership meetings you will not be eligible for club tickets, even if you have more points than a member that has participated the required 3 charity/environmental/community service events.

Donations to charity events can be made prior to the event if member is unable to attend and points will be awarded.

Must forward payment/deposit for the concert ticket by the established deadline or forfeit the ticket option.

Distribution:

Offered to active club members with the most accumulated points and has participated in the required 3 charity/environmental/community service events.

Point year for ticket distribution runs from January through December.

One ticket per member.

Best seats offered to the most active members.

If a member declines a ticket, it is offered to the next eligible member- **under no circumstances can PHIP tickets be used by a non-PHIP member.**
